①

Dear brothers in the work in the Lord's Recovery all over the earth:

Of utmost consideration:

That all the ones who have signed —responsible brothers, brothers in the service and coordinators of different churches in Peru— in the love of the Lord we declare the following:

In a meeting today, we have decided to broaden the fellowship and blending with all the brothers in the earth, which was blocked by our brother Dong Yu Lan, so that ~~now we have no link, in any way, with him and with his ministry~~; also, we would like to have fellowship concerning the ministry that the Lord is carrying out through you all in the earth, in order to help the churches.

We plead for your presence here as soon as possible. We present the names and signatures of the brothers.
